

1. Abrir el navegador Internet Explorer y entrar a la dirección <https://impresiones.iteso.mx>

2. Seleccionar Instalar impresora de la sala de cómputo

The screenshot shows the ITESO website interface. At the top, there is a header with the ITESO logo, the text "UNIVERSIDAD JESUITA DE GUADALAJARA", and "Portal Institucional ITESO". Below the header, the main content area displays the text "Bienvenidos al servicio de impresiones Iteso". Underneath, there is a link "Para instalar la impresora general de sala de cómputo" with a red box around the text "pulsa aqui". Below this, there is a link "Para ayuda rápida de este servicio consulta la Guía de usuario" and another link "Conoce los servicios informáticos del Iteso".

3. Seleccionar "Connect" para instalar la impresora.

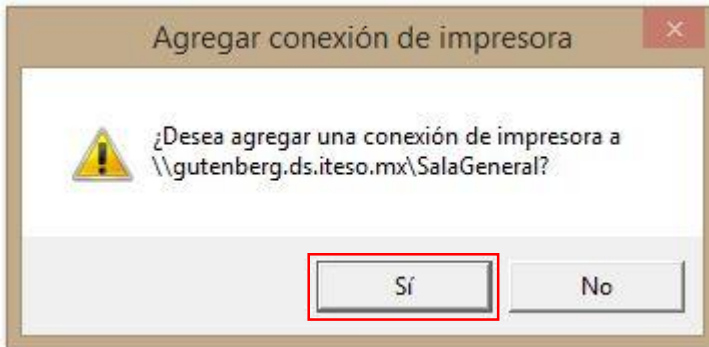

The screenshot shows the printer management interface for "SalaGeneral on gutenbergs.iteso.mx". The printer queue is "Ready" and the waiting time is "0". There are "0 Pending Documents". The interface includes a "VIEW" section with links for "Document List", "Properties", and "All Printers". The "PRINTER ACTIONS" section includes "Pause", "Resume", "Cancel All Documents", and "Connect" (highlighted with a red box). The "DOCUMENT ACTIONS" section includes "Pause", "Resume", and "Cancel". A table lists the documents in the queue:
